

CONSTRUCTION SITE SUPERVISOR

(Permanent full time)

Location: Hamilton, On | Cornwall, On | Ottawa, On

De Saulniers Construction Ltd., is one of Eastern Ontario's most innovative and hands-on construction companies. With our passion for innovation and sustainable design, we believe that we have a responsibility as a construction company to help create the landscape of tomorrow. We believe helping our employees stay innovative not only benefits our clients, but the building community as a whole.

As a member of our team, your high level of organization, knowledge of construction and positive attitude will ensure the successful completion of projects of various types such as industrial, commercial, institutional, etc.

As a Construction Site Supervisor at De Saulniers Construction you will:

- Supervise construction projects to ensure projects are completed per design, within budget and on time
- Manage, coordinate and direct subcontractors
- Keep accurate records of projects and progression
- Assist project managers with day to day site duties and construction administration duties such as purchase orders, change orders and others
- Coordinate with architects, engineers, inspectors, owners, etc
- Assist in preparation of closet out documents (operation & maintenance manuals, as-built drawings, etc)
- Maintain safety standards in all aspects of each project

To be successful, you will have the following qualifications and experience:

- 3 plus years' experience in the construction industry for projects up to 5 million
- Thorough knowledge of all aspects of construction (technology, equipment, materials, negotiation, engineering, estimating, scheduling and safety) and experience with a variety of project delivery methods, including design build
- Superior communication and interpersonal skills required (tact, diplomacy, responsiveness)
- Proficiency in office suite software and other construction related applications
- Preference given to those with the ability and desire to work throughout Ontario
- Have a degree or diploma in a field related to construction or the equivalent experience and training

What we can offer you:

- Salary will commensurate with experience with annual bonus potential
- Strong commitment to safety in the workplace
- Grounded and family-oriented workplace in a progressive environment that is at the forefront of a fast evolving business sector
- Commitment to the training and wealth of opportunities for career development across job categories, project types and locations around Ontario

We are not filling jobs - We Build careers

Interested applicants should apply with confidence in their resume, cover letter, and references by email to mail@dclimited.ca

We thank everyone for their interest, however only those who are being considered will be contacted.
